

Alexandria Gazette.

MONDAY EVENING, JAN. 25, 1904.

A PLOT AGAINST KING PETER.—A telegram from Belgrade reports that Servians and Montenegrins living abroad are engaged in a vigorous agitation against the Karageorgievitch dynasty, and have even planned a conspiracy against King Peter. Pamphlets have been distributed in one of the Balkan states describing King Peter's active agitation while Prince Peter against King Alexander, and making serious charges against him. While the Servian government declines to consider this movement seriously, instructions have been issued to keep a sharp watch over Servian and Montenegrin emigrants. It is conjectured that this conspiracy is the work either of Montenegrins or of the sisters of the late Queen Draga.

A dispatch to the Neues Wiener Journal from Sault, which is six miles from Belgrade, says that a number of drunken army officers belonging to the "murder party" recently made a demonstration in a restaurant at Belgrade against the powers, during which portraits of Emperor Francis Joseph and the Czar were burned. The offending officers were court-martialed, but upon a special order from King Peter the proceedings were stopped.

Croup.

The peculiar cough which indicates croup is usually well-known to the mothers of croupy children. No time should be lost in the treatment of it, and for this purpose no medicine has received more universal approval than Chamberlain's Cough Remedy. Do not waste valuable time in experimenting with untried remedies, no matter how highly they may be recommended, but give this medicine as directed and all symptoms of croup will quickly disappear. For sale by Richard Gibson.
